Dear Ms. Paterson,

The book, *Bridge to Terabithia*, gave me wings. It was as touching as charity on Christmas. It took me to the magical land of Terabithia, as I watched I King Jess and Queen Leslie rule. I'm sure that if I didn't read this book I wouldn't be the same person I am today.

I felt the rain, I saw the pictures, I heard the Prince Terrian yelp for joy. I also quivered over the death of Leslie. Like Jess, I never be the same.

It helped me understand that you need to have courage, and that if you don't agree with the crowd—don't follow it. To stand up to the bullies, and keep your head high. It taught me lessons that I might not know today if I didn't read this book.

After I finished this book I looked at the world in a new way, all sounds, tastes, and even my feelings changed after I read this book, it helped me learn the appreciation of "life."

This book is a timeless classic and will never fade away. Thank you for making me the person I am today.

With my highest regards,
Rosie Zbaracki
