Dear Janet Lee Carey,

Your book *Wenny has Wings* is on the top of my book list. The first time I read it I loved it. The second time I read it I really, really, really loved it. It was in fourth grade I read it the second time.

When I was nine my great Uncle Charles died. He was very nice and cared about everyone. It reminded me how Will's family lost Wenny. I can't believe how many families lose kids like the Norths lost Wenny.

I'm glad I read *Wenny has Wings* for a second time. I believe I got more out of it. When Uncle Charles died I was really sad. Again, I remembered Will, he was sad when he lost Wenny. Will acted mad when Wenny died. I got a little mad when Uncle Charles died. I make connection to your book and real life.

When I read *Wenny has Wings* I really enjoyed it. I couldn't believe how it is. Three of my friends have read it.

I really enjoy reading books in journal/diary style. I think if you wrote a second *Wenny has Wings* it would be very popular. I love to read Ms. Carey. Keep up the awesome writing!

Sincerely,  
Emma Skahill
